

Speak of the Past fee examples. Please use my contact page at www.speakofthepast.com for more information.

Below is just an example of what you can expect from my research. Please use my contact form and I will provide you with a quote for your specific needs, budget and time frame.	Original Research	Full Report with Source Citations	Pedigree OR Family Tree Chart	Family Group Sheets	Binder for paper documents	Memory stick with Gedcom and copies of paper documents
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------	-----------------------------------	-------------------------------	---------------------	----------------------------	--------------------------------------------------------

Hourly Rate (minimum 2 hours)	\$40.00					
10 hours of professional genealogy research to determine direct line ancestors (parents, grandparents, great-grandparents) for ONE surname. Includes up to \$100 document fees.	\$500.00					
20 hours of professional genealogy research to determine direct line ancestors (parents, grandparents, great-grandparents) and the siblings, aunts, uncles and cousins, for ONE surname. Includes up to \$200 document fees.	\$1,000.00					
40 hours of professional genealogy research to determine direct line ancestors (parents, grandparents, great-grandparents) and the siblings, aunts, uncles and cousins, for TWO surnames. Includes up to \$400 document fees.	\$2,000.00					

Additional expenses MAY include the cost of obtaining official birth, marriage and death certificates if required (approx \$50 each).

I can also provide custom wall charts of family trees and transcriptions/abstractions of old documents etc. Prices on application.

I cannot guarantee I will find the information you seek. It may be missing, destroyed or never existed in the first place. What you are paying for is my time to thoroughly research to the very best of my abilities, given the nature of the task at hand.
